TSS289EU | Targus 16 inch / 40.6cm Banker Sleeve

Ultralight, super slim Banker sleeve projects the right image while providing much better protection than a simple skin. Excellent laptop protection is offered by memory foam which moulds 360O to the contours of your laptop,while the super soft microsuede interior cossets it. The use of fine quality leather accents blend seamlessly to create a luxurious finish.

- Memory foam moulds to your laptop to provide 360° laptop protection
- Durable nylon shell material
- Fine quality leather used on external business card holder, zip and design accents
- Super soft interior that protects your laptop from scratches
